Topic: Proposed Used Oil Processing Facility

Location: 1856 Beltline Road, Chester, South Carolina

The South Carolina Department of Health and Environmental Control's (SCDHEC) Solid Waste Permitting Section has received a permit application from Southeastern Petroleum for the establishment of a used oil processing facility.

SCDHEC requires that a permit be issued for used oil processing to SC Code Ann. Sections 44-96-10 et. Seq. (Supp. 2009) and 25A SC Code Reg. 61-107.279, Used Oil. This facility will only process non-hazardous used oil. A copy of the regulation can be viewed at the following website: [http://www.scdhec.gov/environment/lwm/regs/R61-107\\_279.pdf](http://www.scdhec.gov/environment/lwm/regs/R61-107_279.pdf).

At this time, the Solid Waste Permitting Section is reviewing the permit application. During the public comment period the Department will be taking comments from the public concerning the permit application.

Who to contact? A copy of the application is available by appointment for public viewing during normal business hours at the following physical addresses:
